The SOFIMUN Foundation is kindly inviting you to join the 3<sup>rd</sup> edition of the student conference Sofia International Model United Nations 2010 – 24 to 31 July 2010!

**The Sofia International Model United Nations conference will once again gather more than 130 participants from over 40 nations in the beautiful city of Sofia, Bulgaria!**

The conference is open for participants from all over the world, aged between 18 and 30.

## What is SOFIMUN?

*SOFIMUN is a world conference for students and young professionals, interested in international relations, politics, social and cultural sciences, economics, journalism and similar. SOFIMUN is one of the biggest summer summits - a realistic simulation of the work of the United Nations and the European Union. The SOFIMUN Conference gives students the opportunity to discuss global issues with participants from all over the world.*

## Why to participate?

- ✓ Gain academic experience and knowledge on UN and EU - how the international politics actually work
- ✓ Improve your debating and negotiating skills
- ✓ Give your vision and solution on global issues
- ✓ Expand your international network
- ✓ Participate in various social and cultural activities in a multicultural surrounding

## What SOFIMUN offers you?

☛ **4 United Nations and 2 European Union bodies to participate in** – *UN Security Council, UN Human Rights Council, UN Commission on Sustainable Development, Council of Ministers of the EU - Foreign Affairs Committee, European Parliament - Committee on Economic and Monetary Affairs, International Journalism Body (10 world medias)*

☛ **Fully covered** - hotel accommodation for the conference days, 2 gala dinners and lunches during the session days; conference materials; social program

☛ **Lots of additional activities** - receptions, guests and lectures on UN; active social program

Meet the world on SOFIMUN 2010 –  
The Sofia International Model United Nations conference!
