Customer Satisfaction University Awards enable you to move from the theoretical perspective of a textbook to the reality of the business practice. In this **STUDENT CONTEST** you will be challenged to create a **CUSTOMER SATISFACTION PROJECT** which can be integrated into our existing business strategy. Valuable **LESSONS** and **PRIZES** are waiting on you!

If you are creative, innovative, competitive and meet the following criteria:

- Full-time student of the 4th or 5th year
- Having passed all the exams required for the relevant academic year with an average grade not below 3,5
- Fluent in English
- Proficient in MS Office

Apply by April 30th as winning a national award gives you the possibility to participate in the international competition.
